

PROGRAM OVERVIEW

The following is an outline of the rules of this fundraiser program using the sale of Westview Co-op gift cards: How it works

1. After your fundraiser application is approved, Westview Co-op will provide you with a sales summary form.
2. Take up to eight weeks to pre-sell gift cards and collect funds.
3. After eight weeks, bring your completed Sales Summary Form to your Local Westview Co-op, along with payment for your total order minus your discounted percentage. The cheque must be from your organization. Personal cheques and credit cards are not accepted.
4. We'll provide you with your gift cards up to one week after receiving your completed form.
5. Distribute your gift cards and letters to the purchasers.

Fundraising Discount

- Groups can participate in the Gift Card Fundraising Program once per fiscal year.
- Westview Co-op reserves the right to set limits on how much a group can sell.
- After one month, if you like, you can pay for and pick up current Gift Cards sold. *The discount will be taken off the final payment.
- Groups will receive a percentage discount off the total amount of gift cards sold/purchased at one time. The minimum order for gift cards eligible for a discount is \$2000 total per fundraiser.
- The group must provide payment in the form of cash, certified cheque from the organization, debit, or bank draft (preferred). Personal cheques or credit cards are not accepted.
